Allied Health Chiropractic Centers Adds New Doctor of Chiropractic

August 19, 2008- Onalaska, WI- Allied Health Chiropractic Centers is pleased to announce the addition of Dr. Rachel Reiser, D.C. Dr. Reiser graduated from Palmer College of Chiropractic at Davenport, Iowa and completed a four month residency program in Wausau with Allied Health Chiropractic-Bautch West Clinic. She currently practices at Allied Health Chiropractic Onalaska Branch, with Dr. Renata Anderson. The clinic is located at 826 2nd Avenue North, Onalaska, WI (608)783-7735. Dr. Reiser's chiropractic training includes treating spine related issues such as back and neck pain, headaches, carpal tunnel, dizziness and numbness as well as work, auto and sports injuries. She is currently pursuing her Pediatric Diplomate to become a specialist in taking care of children through Chiropractic. She offers same day access, accepts most insurance and welcomes new patients. Dr. Reiser looks forward to the opportunity to become a part of your personal healthcare team.

Allied Health Chiropractic Centers offer a wide variety of health services focusing on providing the highest standard of chiropractic and wellness care in the profession. With specialized chiropractic adjustments, wellness and nutritional assessments, physical therapy modalities, exercise coaching and rehabilitation programs, Allied Health enables patients to reach their full health potential. Striving for continuous service excellence through education and proven techniques, Allied Health delivers a lifetime of value through a personalized patient care experience.

As the largest doctor-owned Chiropractic group in the U.S., Allied Health employs over 70 doctors who practice in four states throughout the Midwest. With fourteen years in single specialty group practice, Allied Health provides professionally managed clinic and business systems and is focused around what the Medical Group Management Association (MGMA) considers "the best clinical and business practice" models in health care. The clinical and business service solutions, processes, resources and infrastructure of Allied Health have all been developed on scalable platforms designed to accommodate future growth of the group practice model in the area of contracted services for outside providers.
